## NOTICES: (Please do read these as they affect the management of the event)

- This event is run under CTT regulations which can be found here: <https://www.cyclingtimetrials.org.uk/>
- Please ensure you have read the CTT COVID-19 guidelines at <https://www.cyclingtimetrials.org.uk/documents/index/covid-19>
- You are asked to not urinate in the carpark or grounds or change in full view of any of the residents. We are very lucky to have this facility, so please do not give them reason to take it away. All future references to "HQ" in this document are referring to this facility.
- Turbo trainer/roller warm up are permitted at HQ but only directly behind/infront of your parked vehicle. You are encouraged to warm up on the road to ensure you are not gathering with other riders.
- Your number will be placed on a table at the HQ, please check your number on the list below.
- CTT requires all riders to sign out of events when finished. Failure to complete the signing out sheet will result in the rider being disqualified. Other riders or individuals must not sign out for other people.
- Please hand your number in when signing out.
- A **working front and rear light**, either flashing or constant, must be fitted to the machine in a position visible to following road users and is active whilst the machine is in use.
- **Hard shell helmets are now mandatory.**
- Please respect the volunteers from Chippenham and District Wheelers and the timekeepers who are giving up their time to help out.
- Position your main number so that it is visible from the rear when in the racing position.
- This event may be subject to a Doping Control - It is your responsibility to check by returning to the HQ and signing in as soon as possible after you finish.
- Please allow at least 10 minutes to get to the start.
- Head-down riding kills – if dangerous riding is witnessed it will be investigated and reported.
- No vehicles, except those of the timekeepers, shall be parked at the start or finish

There should be a "pusher offer" but in the event that I do not get one you will have to do a standing start on your own. Rolling starts will not be permitted. Make it easy for the finish time keeper, when you cross the line, shout your number. As loud as you can. Do not approach the finish time keeper at any point for any reason. Once you have finished your race return to HQ to sign out

Race Results will be published on the CTT website as soon as possible.

Start List Appendix A is the rider list with the number assigned to you. This is the number that must be collected from the HQ upon arrival. Please do not swap numbers: your emergency contact details are assigned to this number and we really don't want to be phoning the wrong person in case of an emergency. If you are unable to attend, DO NOT swap your name with someone else. Riders found doing this will not be permitted to race, will be reported to the CTT and may not be accepted in future events.

Ride Safe. Ride Strong. Thank you for your support!
