### HEADQUARTERS

The Goyt Valley is a beautiful place. Unfortunately, due to its location, there is no event HQ and there are no toilet facilities. The nearest public conveniences are in Buxton and in Whaley Bridge. There is ample car parking in the large parking area at the eastern end of the dam across Errwood reservoir. Please be respectful of others who may be using the car park or who may be walking locally.

**Numbers and Signing on/off:** Signing on/off will be at the layby 30 yards before the start and the numbers will be laid out for safe collection (please bring your own pins). Please remember to sign out! **Failure to sign out will result in a DNF classification.**

There will be no refreshments or results board after the event. The results will be emailed as soon as possible after the event.

**CTT regulation 15.** All riders must wear a helmet. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard.

### CTT regulation 14(i)
