

VIRTUAL CYCLING CLUB, 25-MILE TT EVENT ON R25/7A

virtualcyclingclub.com

LATE ENTRIES AVAILABLE

Entries via the CTT website have now closed but VCC is currently on tour at the Dolomite Mountains so won't be compiling the start sheet until Sunday 2nd July. So if you fancy a spin around this seldom-used 25-mile course, you have a few more days to get yourself registered.

Here's what to do:

- Email us at virtualcyclingclub@gmail.com before 12 noon on July 2nd
- Quote your CTT ID number if you know it
- Tell us which of the five sub-events you're entering
- Send £15 payment via [this PayPal link](#) or to Starling account 8765 6733 at sort code 60-83-71

PRIZE STRUCTURE

The specifics will depend on the number of entries received overall, taking all sub-events into account. In other words, our budget! But we give an assurance that the prizes for male and female riders will be equal in both number and value, regardless of the number of riders in each group. We'll do the maths when the final numbers are known and publish the details with the start sheet.

EVENT HEADQUARTERS

For our event on July 9th we'll be using the Old Church School Hall in Raglan, postcode NP15 2EN. We'll be opening up at 7am, an hour before the first starter, and have been asked to keep noise to a minimum at that time of day – which I'm sure we will. Here's the entry to the car park.

PROMOTED FOR AND ON BEHALF OF CYCLING TIME TRIALS UNDER THEIR RULES AND REGULATIONS
