DON BYHAM

**Don Byham was a much-liked stalwart of the
London and Home Counties Group.**

**In the days long ago when teams were restricted to two
due to shortage of riders, Don was so often one of the team
members but never an event winner—second often but never a
winner.**

**Don died just a few days before his retirement, just as was
anticipating that more time to train would mean that he would
become a winner.**

**The trophy was presented by fellow member Terry Swift
and first won in 1985 by John Webb (VC Slough).**

F11/10 (Tring & Aston Clinton by-passes)

Course Details

Start (A on Map) on southbound slip road to A41 on the Western Tring junction approximately 40 yards from the start of the slip road.

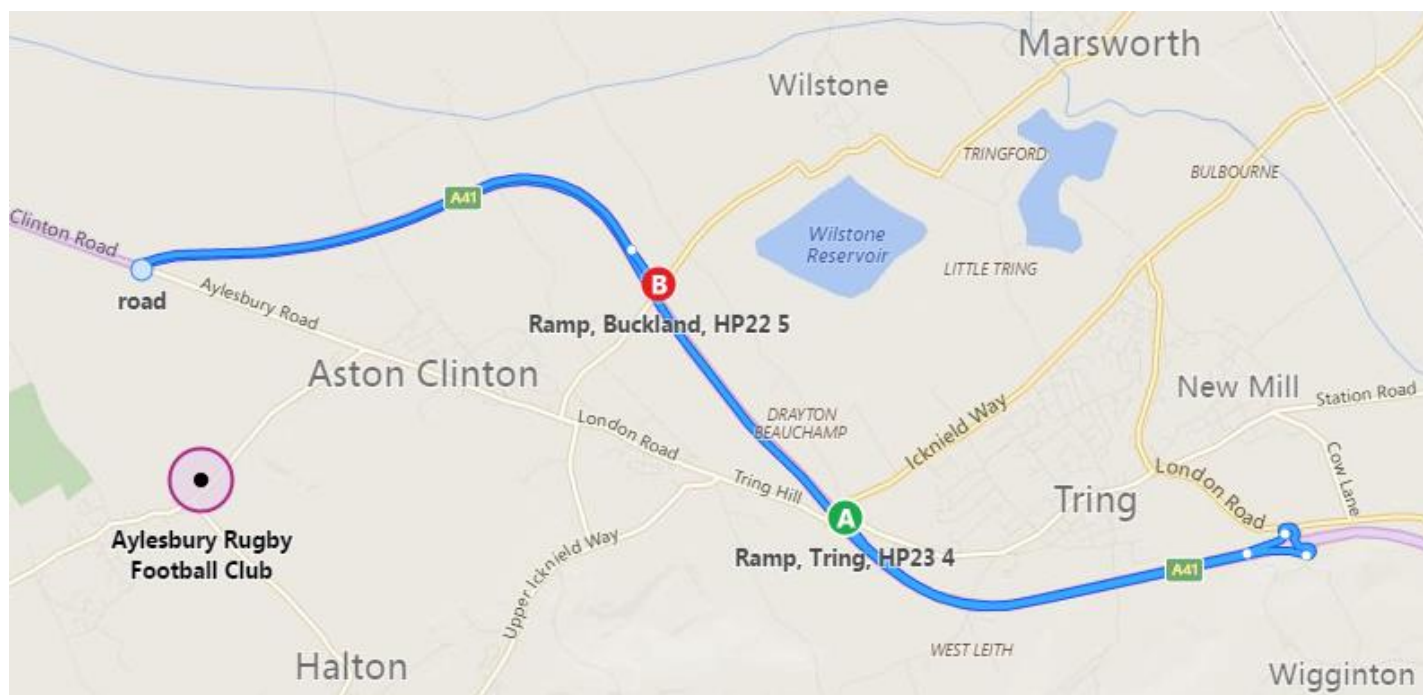

Proceed along A41 to come off at first slip road (Eastern Tring junction) to

Turn (approximately 2.0 miles) by taking 4th exit out of roundabout and under the A41, going around 2nd roundabout to take 2nd exit back onto the A41 westbound and continue past all junctions to roundabout at end of Aston Clinton by-pass to

Turn (7.87 miles) by taking 3rd exit out of roundabout back along the by-pass, again ignoring College Road junction to

Finish (B on Map) on Buckland slip road 9 yards south-east of manhole cover on grass verge, about 91 yards north-west of (i.e. before) separation of slip road and main carriageway, also about 460 yards north-west of the B489 overbridge.

Finishing riders MUST leave the main carriageway at the START of the exit slip road to B489. Failure to do so will be recorded as DNF and no time given

Start

Local Regulation 1. – No U Turns should be made at any time while riding on the public highway.

Car Parking

*There must be no parking of motor vehicles on any part of the A41 apart from those of the officials. **All parking must be in the HQ car park.***

HQ to start route

Please note that one of the 3 miles is up a steep hill so allow at least 15 minutes to get to the start from the HQ. It does provide a good warm-up.

First Roundabout after 2 miles

Last roundabout – 2 miles to go

Roundabouts

Please keep your head up at all times. At roundabouts the traffic coming from the right has priority over you, so please give way. In particular the first one at the bottom of the off slip road does not have good line of sight for traffic coming from the right so please take great care here. Make yourself familiar with the layout of the 1st roundabout as riders all too frequently go wrong and waste a fast time.

Number and Signing on

You must sign on in advance of your start at the HQ where you can collect your number and receive any last minute instructions or warnings. **New for 2017 is that you need to sign out of the event otherwise you will be disqualified.** Please return number with all pins to HQ in exchange for a free tea/coffee/soft drink. **DO NOT** fold numbers at all or **DO NOT** use sticky tape (or other sticking methods) to secure the numbers.
