## Course D100/3r

Not to Scale

### IN THE INTERESTS OF YOUR OWN SAFETY

Cycling Time Trials and the event promoter strongly advise that you wear A HARD SHELL HELMET that meets an internationally accepted safety standard.

It is a condition of entry that all riders under 18 years of age must wear an approved cycle helmet.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.

# Competitors Notes – Please read carefully

Each competitor must sign on when collecting numbers at the HQ, this is a CTT Requirement.

Numbers must be fixed to the lower back area.

There will be checkers at Prees, Wem Road, Espley and Battlefield Church Roundabouts. Any rider whose number is not visible to the timekeeper and checkers may not be given a finishing time. Remember to shout your number at the finish.

No times will be given by timekeepers at the finish; these will be displayed at HQ. Please use extreme caution when leaving HQ to ride to the start, ride in single file and when returning after the finish.

Riders must not stop at or near the finish. After crossing the finish, continue riding for approx. ½ mile to the left hand junction on a right hand bend just beyond a brick roadside barn. Dismount and walk across the road, taking care, to return back past the finish to Prees Green where turn left on to A49 to ride back to the HQ via Prees by-pass and Prees Heath RAB.

No 'U' turns within sight of the start and finish. Any rider doing so may be disqualified from the event.

Take care at all times and in particular at the roundabouts – remember this event is almost wholly on 'A' class roads which are mostly single carriageway.

Riders should be aware that the road narrows at Sandford Bridge on the A41. There is also a possibility of cattle crossing just north of the bridge. Have a safe and enjoyable ride, and keep your head up at all times.

## Regulation 22c . Use of Motor Vehicles

In accordance with Regulation 22, riders are permitted support from a motorised vehicle or its occupants, to assist with a competitor's reasonable feeding and other requirements as the event distance exceeds 100km.

All support vehicles must be registered with the Event Secretary (or via the Signing On Steward) before or by the competitors start time using the Riders Supporting Vehicle Form, available from the CTT website at:

<http://www.cyclingtimetrials.org.uk/Forms>

A supply of blank forms will also be available at signing-on.

Regulation 22(c) states:

Where vehicles are to be authorised, a full description of the vehicle and registration number shall be given to the event promoter prior to the start of the competitor. A competitor shall not be overtaken by his support vehicle more frequently than once every 10 miles. Where possible the vehicle must be driven at normal traffic speed and must not follow the competitor, nor impede or annoy other competitors. Any competitor whose authorised vehicle impedes or causes annoyance to any other competitor shall be liable to disqualification from the event. Where any other vehicle precedes or follows for any length of time, or frequently passes a competitor, that vehicle shall be deemed to be associated with that competitor who shall be liable to disqualification from the event.

In last year's event, there was an alleged incident of irregular assistance to a rider from a motor-cycle whilst in motion. There will be course and roundabout marshals in place throughout the event and any rider who fails to abide by the regulations may be subject to disciplinary action.

Please abide by all Regulations, including those regarding rider assistance, for fairness and road safety and the future of the event.

Bottles and food can be left at the HQ which will then be available for riders to collect during the race at the 53 mile point in the service road on the northbound A49 opposite the Hollies Nursery approx. 1.5 miles south of Prees Heath roundabout. Please take care when entering and leaving the service road as there are no slip roads in and out. Entrance to the slip road will be signed.

Thank you for entering the event and may I wish all riders a safe and enjoyable race.
