Care at Road Junctions

- 1) Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross the white line when approaching or leaving a junction will be liable to disqualification and may be reported to the district committee for further disciplinary action.
- 2) Riders must negotiate Chelford Island and Booths Hall Island in a safe sensible manner in accordance with CTT Reg 20 and the rules of the road. Riders must be able to brake and stop at the Island if traffic conditions require this. Riders MUST NOT approach and encircle the Island using tri-bars. Remember traffic on the Island has priority over traffic (including riders) entering it. Any rider seen to be in breach of this regulation will be disqualified from the event and may be reported for further disciplinary action.

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. In accordance with Regulation 15, ALL JUNIOR competitors must wear Protective Hard Shell Helmets.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.
