Race Organisers Comments

Probably the most successful KCA 100 mile TT in a long time, ever even, with the Course Records broken both by the men and ladies (Chris Fennell of Thanet RC 03.34.49 and Michelle Lee of Bicester Millennium CC 04.18.03) plus a new the KCA Record set by Chris.

Furthermore a new KCA Team Record set by Thanet RC and no less than Ten male riders finished in under four hours and Five ladies in under five hours.

The conditions were good, despite the usual breeze on the Camber section. Not that it seemed to affect the fast guys who probably had the windiest conditions later in the morning
