NUMBERS AT HEADQUARTERS

Riders must sign the official signing-on sheet
when collecting their numbers

AND MUST NOW SIGN OFF AS Well

The course Risk Assessment will also be available there

Please Note

There have been numerous roadworks for the installation of fibre optic cables on the H10/2 recently. Almost all are due to be finished by the 31 July. One permit is scheduled to continue until 11 August although there is no work currently being undertaken which restricts traffic. We have requested that the permit be suspended for the day of the event and are hopeful it will be so that the event can take place. However, roadworks can overrun at short notice. If this race has to be cancelled we will contact all riders as soon as we know. Otherwise please assume the event will be ON unless you hear to the contrary.

Ray Dare

All will share the sorrow at the loss of Ray during the Group Ten on the F11/10 on 19 July — he was number nine in that event and the space has been left blank herewith in his memory
