Well done "Vets", no riders with a minus. Those VTTA members who scored a pb on the evening should be satisfied they have sorted their "standard" for the year. Those Vets who know nothing about the "black arts" of Standards feel free to ask, it is a great motivator each season (can also lead to depression).

Thank you riders & crew for making our "Finale Ten" a success. This was a fitting conclusion to our "Summer 2017 TT Series". This year all of our events have been "Open" and not only has this attracted a wider pool of riders, but (we believe) the local riders have risen to the challenge and have recorded some superb results this season. Lastly congratulations to James Rix for "smashing" the course record, we still consider the P883 as the fastest of the "A3" courses, we just needed the right day and James has helped to confirm our faith. Thank you all.
