Extreme care is needed when entering the carriageway as there is NO filtering lane. Riders are advised to approach slowly, look right for traffic and keep to the nearside white line. Continue on the A30 Eastwards towards Sourton Junction. Finish on the carriageway at a point level with the fourth bollard from the west end of the public lay-by situated before the first

over/bridge from the turn (GR SX 481903). Distance to top of slip road at the turn approx 5.88 miles from start.
