

Cleveland Wheelers Open Hillclimb 2017

Supported by The House Designer Wear, Yarm.

Many thanks to all who attended today's event in what were less than ideal conditions. Many thanks too to all those who helped out with the event, especially those who had to stand around in the weather for the whole hour+, it's much appreciated. Finally thanks to our event sponsor, The House Designer Wear, without whose help we'd be unable to offer such a generous prize list.

The full results are available in a separate document, but below are the main prize winners. The results will go live at CTT once they process them.
