Field Placement

Regulation 27 (h) – **the requirement that the starting order shall be arranged with the faster competitors spaced at not less than five minute intervals is no more.** The regulation now reads: Only riders listed on the start sheet shall be allowed to compete. Save as otherwise provided, the Event Secretary shall have discretion to arrange the starting order as they wish bearing in mind the characteristics of their event and the need to avoid company riding as far as possible. Consequently, we have generally set the field, with adjustments for early starts and travelling arrangements, slowest to fastest to prevent too much fragmentation over a sporting course.
