IN THE INTERESTS OF YOUR OWN SAFETY.

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.

Notes

- Riders are required to sign on before collecting their number. Riders are also required to sign out when handing in their number on returning to the HQ. Failure to sign out will result in a team being shown as DNF.
- Please keep the noise to a minimum to avoid unnecessary disturbance to the local residents.
- Turbo trainers or rollers are not to be used at or in the vicinity of the Headquarters. Any rider that ignores this ruling will be subject to disqualification.
- Riders risk disqualification if they perform U turns in the start and finish areas or use these areas as a public toilet.
- No warming up on the course once the event has started.
- Numbers will be at HQ (and not the start) and may be exchanged for a drink after.
- **Please ensure that you pin your number on your lower back. If you pin it too high on your back, the timekeeper may miss it and you could be shown as DNF on the result board.**
- **Where possible, teams are encouraged to wear clothing of a similar design and colour.**
- Please do not wear shoe plates in the HQ.
- A composite team is a team of 2 riders from different clubs. A mixed team is a team comprising a male and female rider.
- **When you have completed your ride, please return to the HQ in single file so that you do not impede those riders still competing.**
