Notes:

Another pleasing field for this tough course, with only two DNS's – everyone was clearly keen to get their seasons started after the prolonged adverse weather. Refreshment donations amounted to £23.60 for Yorkshire Air Ambulance.

Many thanks to all the helpers: Simon Warren, Fran Heley, Stephan Brown, Scott Blau, Mike Cooper, Liz and Kevin Barrett, Stephanie Millward, Alex Warren (all Ilkley CC)

There were a number of queries around the result board about the Vets Standard +/- times.

The Veterans Time Trials Association publishes target times in one year age bands over 40, known as 'Standards' (with women getting a more generous allowance). In addition to overall time for a race, many Vets are interested in beating their Standard time. The Standards are based on a flat course so not many riders will beat their Standard on the V810 course. For those that don't the challenge is to see how close you can get to it – and then try and get closer the following year (when you will have an extra couple of seconds age allowance aswell!)
