Rider Information

- Numbers will be at the headquarters and can be collected once signed-on.
- All riders must return their number and **sign out** after completing their ride. Failure to do so will result in a DNF being recorded.
- The start is ~3km from the HQ. Please leave enough time to ride to the start from the HQ.
- It is the responsibility of the rider to know the course.
- Riders must not stand in the road while waiting to start.
- "Competitors must ride entirely alone and unassisted and not ride in company or take shelter from other riders or vehicles. A competitor overtaking another must pass without receiving or giving shelter. The onus of avoiding company riding shall be upon the rider overtaken" Cycling Time Trials Regulation No. 18.
- U-turns are not permitted within sight of the start or finish points, nor on the course.
- There are good, quiet roads for warming up near the headquarters. Do not warm up on the course once the event is in progress.
- Riders must not hassle the timekeepers: they will not give you your time, let you change start time, etc.
- Riders must not stop on the A420 after the finish. Keep riding and take the slip road to Cumnor (see map below).
- In the interests of your own safety, Cycling Time Trials and Oxford University Cycling Club strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard. A rear light is also advised.
- BUCS Competitors must be able to provide, upon request, valid Student ID cards.

This event may be subject to a Doping Control

It is your responsibility to check

As soon as you have finished you should return to the event HQ as **it is your responsibility to check** if you are required for Doping Control.

Race numbers required for Doping Control will be displayed at the HQ adjacent to the result board.

If your number is displayed, you should report immediately to Doping Control which will be nearby.

Remember, it is up to you to check and ensure that you comply.

If required, you must report to Doping Control after finishing without delay.

Parking

There is parking available at the HQ and in the village if required. If the concrete car parks are full, please park on the top of the adjacent field and avoid the football pitches. If parking in the village, please be considerate to the residents.

Please do not try to park in the vicinity of the start. There are no pavements and only small grass verges. Riders waiting to start (waiting out of the road) will already present enough of a hazard without the addition of a fleet of abandoned cars.

Dry Sandford is an idyllic village, even nicer than Bottisham. There will be no tolerance of any disruptive or antisocial behaviour.
