**The Ivan Mahon Trophy is awarded to the Nottingham and East Midlands VTТА member with the best standard time in the event.**

## **Safety:**

In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard and have a working rear light (flashing or constant).

Do not stop at the finish timekeeper but proceed for a short distance, make a U turn when safe to do so and return to the HQ where your time will be displayed.

Traffic counts have indicated light use of the A46 on a Saturday afternoon, however, it is still a major trunk road so please take no chances and ride safely. Your welfare is worth more than your PB.

## **Start and warm up:**

To get to the start proceed south along Marsh road then left onto Main St then right onto Fosse Rd. You are now on the last mile of the course so be aware of riders finishing.

Proceed quickly and in single file past the finish making it obvious that you are not racing.

The start is just after East Stoke. Please warm up south of Eden Hall traffic island.

Between Farndon and Eden Hall please be aware of riders starting and finishing on this road.

## **A25/34 - 25 mile Course**

**Start:** 36 yards after speed derestriction sign on southbound exit from East Stoke on old A46.

Proceed south to Turn Left at traffic island (near Eden Hall) to pass over A46 to Turn Left onto A46 southbound slip road. On A46, proceed south to take slip road from A46 to new traffic roundabout at junction to Cropwell Bishop & Cotgrave (Stragglethorpe Junction). Take 4<sup>th</sup> exit to pass under the A46 to second roundabout. (Approx 10.36mils.) Take 3<sup>rd</sup> exit to slip road onto A46 northbound and proceed towards Newark. At Farndon roundabout take first exit onto old A46 (Fosse Way). (Approx 23.12mils.) Proceed south on old Fosse Way to Finish at start of fence on RHS at gateway to River Trent and just before Stoke Warren Farm on approach to East Stoke. (25.00mils.).
