#### FINAL WORDS

A perfect summer's morning, bright sunshine, no wind and low traffic levels. Some competitors thought the sun rather too hot, but fast times were recorded. Fastest on scratch by No 100 Simon Norman of Bedfordshire Road RT at 18:48 gave him second place on Standard to Sheffrec CC's Mark Norman, No 80, with 19:21 and a plus of 8:11.

The tandem of Sharon Clifford and Phil Barnes was the only other entrant to better 8 minutes on standard with a plus of 8:01.

Women were close behind the men on Standard with Helen Reynolds first woman and 4th overall with 7:37. In doing so she led Hemel

One particularly frustrating DNS was recorded by Tim Childs with a puncture in the starting queue!

A couple of riders DNFed after missing the first slip road where it is difficult to place a direction sign. All finishers followed the rule for pulling off the carriageway at the beginning of the finishing slip road so no rider was disqualified for breach of that rule. However four riders after the finish line were reported to "meander" out into the slip road. The marshal reported this as dangerous and they were lucky the motorists following were 'really patient'.

One rider lost his bag containing credit card and car keys on the road; a passing motorist picked it up and handed it in to a marshal. It was back at HQ before he was! Some motorists like cyclists it seems!

Thanks are due to Time Keepers, Peter Tasker and Annette Lacey, to Paul Marchant for pushing off all riders unaided and without a break, to Brian Foran, Trish Milligan and Kevin Hallahan for marshalling at the first turn, to Alex Marzec, Nikki Hunt and Richard Moule for marshalling at the second turn, to Richard Partington for acting as finish spotter and John Hoskins as recorder in sending results to HQ. to Jim Burgin for creating the traditional start and results sheets, to Alex Marzec for writing results on the board and to Audrey Hughes for controlling signing on and off, giving course directions and cutting up the cakes! As you all know such helpers are essential for the event.
