MESSAGE FROM THE EVENT SECRETARY GARY JACKSON

Congratulations to Marcin Bialoblocki on an excellent winning ride and congratulations also to all prize winners and to those 50 of you who achieved personal bests.

Marcin's ride means there have now been 9 Competition Records set in our event in the last 18 years - Tandem Trike, Mixed Tandem, Men's Team (3 times), Ladies Team, Ladies and Men (twice).

As you know, the event could not have gone ahead without a team of over 25 marshals and officials who gave up much of their Sunday to ensure a smooth and safe event. Many riders have praised the marshalling and signage and I would like to extend my thanks to all those involved:-

Trevor Pedley, Tim & Becki Groves (timekeeping); Matt Steel (timekeeper's recorder and texting finishing times to HQ); Dave Nock (for sorting out and placing the warning signs at the correct locations and later collecting all the signs); Geoff Fletcher and Derek Brandon (pushing off); Marshals: Jimmy Green, Harry Green, Phil Hodey, Bob Pisolkar, and Wayne Greve (Four Went Ways) plus Ian and Lauren Jackson (checkers); Norman Hurrell, Tim Stout, Richard and Amanda Austin, Jeremy Petterson and Steve Murphy (Red Lodge); Phil & Charlotte Olson (Red Lodge Turn); Paul Hirst (25 miles time check and texting times to HQ); Dave Nock (traffic count); Greg Smith (signing on); Keith West (managing the Results Board); Lynnette Plumb of Nettaprise (for the excellent catering); Mavis Kinsey (provision of the pristine HQ at Westley Waterless Village Hall).

Thanks also to Keith West for managing the online entries and providing start and result sheets, and keeping everyone informed via our website.

This year the weather was kinder to us with only a very light breeze, which allowed half the finishers to achieve new PBs. Not the perfect day though - high pressure and high humidity saw to that.

The event attracted 126 entries but local CTT conditions meant that we were restricted to a maximum of 120 machines for the event. You the riders obviously want to ride our event on the super-fast E2 course and we want to continue with our event which has taken place regularly since 1906. Next year the E2 courses using the A14 will once again not be available for Saturday and Sunday afternoon events in June, July and August so we will have to stay on a Sunday morning. With a 6.00 am start we will be able to have 120 to 130 machines but an earlier start would allow a much bigger field.

Hope to see you next year.

Gary Jackson
