Thanks

- Thank you to our timekeepers, Kathleen, Chris and Maria, for carrying out their duties so efficiently and diligently.
- All the marshals and helpers and members of KPRC who gave up their time in order to help the event run. Without them it would not have been able to take place. My particular thanks to Ian Davies and Brian Powney for their work in organising the kitchen and marshals, respectively.
- Daniel Sharp of Charlotteville CC for his support.
- All the riders for taking part in this event. Your generosity has meant that we are looking at sending off a cheque in the region of £450 to the London Air Ambulance in memory of Frank, which is simply brilliant. Unfortunately the day did not transpire to be as fast as it was looking 24 hours before, but I hope that you enjoyed it anyway.

Regards

Alex Kew
