Thank you all for supporting this event. We had a good mixture of teams and great weather conditions. Congratulations go to Craig and Levi Moody with a convincing winning time of 32:09.

Thanks to the riders for being so adaptable in responding to the distance change from 25 to 15 miles. One rider did unfortunately end his day in the back of an ambulance, all of us wish him a speedy recovery.

I would like to say a big thank you to all the Marshals, Timekeepers and Headquarters officials for giving up their Saturday afternoon to support the event. I should also like to thank Jean, Alan and Wendy for providing and serving the refreshments. That's it for the season, enjoy winter training and hope to see you all again next year!

Kind regards

Helen
