IN THE INTERESTS OF YOUR OWN SAFETY,

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard.

In accordance with regulation 15 ALL JUNIOR competitors must wear Protective Hard Shell Helmets. It is recommended that a working rear light,either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use. If there are strong winds forecast for the day of the event for team safety avoid deep section wheels if you can.

Please note the start of the course is about 1.5 miles from HQ so allow time to find the start, also team times are taken on the third rider across the line, yet individual times may be given but not count towards prizes.
