Thank you all for your support. Entries for the 10 miles event were more than welcome, being as both the 15 miles and 5 miles events were cancelled due to lack of entries.

The cold conditions (it was a Bank Holiday after all) obviously affected some riders but the times showed there was a good competition and my congratulations are extended to all the prize winners.

No event is possible without the vital input of the officials so, on your behalf, I would like to thank members of Basildon CC, Becontree Wheelers, Braintree Velo CRC, Essex Roads CC and Welwyn Wheelers for their help with the marshalling, pushing-off, recording and texting. Thanks are also due to your timekeepers Trevor Pedley and John Cottee, to Dave Nock for signage on the course and directions to and from the HQ, to Keith West for handling all the IT work and, of course, to Netta for the welcome refreshments.

Finally, congratulations to Lee Valley Youth CC on winning the "Festival" Team Trophy for their efforts and successes throughout the ECCA Cycling Weekend.

BOLTON FUND

This fund exists to help riders of all ages but especially the younger generation who would like some financial assistance towards the expenses of a particular project. Some examples include donations to Maldon & District CC Youth Team competing in the Certini 2-day stage race in Devon in 2007 and at the other end of the scale Kevin Gill's attempt on the Master's Hour Track Record at Newport. More recently the emphasis has been on younger riders with support for Lee Valley Youth CC for racing on the continent, for competitors in the GHS Championship Final and to riders in the BC Training programmes.

So if you would like some help just drop a line at least 6 weeks beforehand to the ECCA General Secretary or Chairman - see our website for address - outlining the cause and likely expenses involved for our consideration.
