Thanks and acknowledgments

Thank you to all who participated in this years event. I was particularly impressed that we didn't have a single 'Did Not Start', which must be very unusual! I hope that all who took part had an enjoyable day.

An event like this simply can't go ahead without a dedicated team of volunteers. I'd like to take this opportunity to thank those people who made this event possible:

Peter Bayliss and Trevor Page, our Timekeepers and Peter's wife Carole for Recording.

Mick Wills and Tim Ellershaw for taking on the task of putting out the signs, as well as marshalling.

Linda Radmall for laying on the refreshments and in the process raising over £100 for our charity!

Steve Radmall, Mack Adcock, Steve Evans and Grant Warwick - our Pushers Off on the day.

Brian Wills, Neil Morris, Guy Mellor, Michael Bevins, Pete Bolesworth and David Staley for Marshalling.

Kirsty Gamble for organising the organiser!

Alan Kitching for his excellent photographic coverage.

I'd also like to say a special thanks to Shelia Hardy of CTT for her invaluable help when it became apparent we couldn't use the original course.

We have always run this event (and the 2up that proceeded it) to benefit charities. I've yet to confirm the accounts for this event but it is looking like we'll able to donate around £650 to FND Hope. Thank all so much for your contribution and hopefully see you all next year!
