Firstly, many thanks to you all for supporting our event as there were a number of over events over the weekend. Congratulations to Matthew Senter & Amy Pritchard who won their respective categories, that is a hat-trick of wins for Amy.

As per usual many thanks to all the Wolsey RC helpers who came out on the day. Despite just being over the Norfolk border, it's still the best part of an hour travelling time to get to the HQ.

Quite a bizarre resultsheet with a number of riders (men and women) taking home the Vets Cat prize instead of the overall prize in the fastest rider category. This was no doubt due to the small field which eventually took to the road. This did allow Adrian Manley to be placed 4<sup>th</sup> in the scratch category, even though he finished 8<sup>th</sup> overall.

It was also great to see all those who travelled from London to compete on the day. Again quite bizarrely all eight ladies from “Giant Camden Team Liv” managed to fill the last eight positions overall, but still took the team prize! I am not sure if that has ever happened before. But I hope you all enjoyed the Norfolk/Suffolk border.
