- **Parental Consent Forms** All riders under 18 download a parental consent when they enter online. The form must be completed and brought with you on the day. Please hand it in before signing on.
- **Lights** It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.
- Warming up Competitors are requested not to warm up on the course after the first rider has started.
- Competitors' Vehicles No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity
  of the start or finish.

There are a range of competitions run by local Associations so, if your club is affiliated, and you're riding ESCA or SCA events, the chances are you'll automatically be included in a competition that you might not necessarily be aware of! Why not take a moment to familiarise yourself with what's on offer for individual riders and their affiliated clubs to add a bit of interest and friendly rivalry between riders and clubs. Regular competition updates, and a whole lot more, are posted throughout the season on the Association websites and Facebook groups
