

2020 Anfield '100'

The headquarters are at Shawbury Village Hall, SY4 4NH. The Hall is approximately 3 miles away from the Start which is on the A53 between Shawbury and Espley island so please leave time to reach the Start on time. A drinks service is available for riders without support and full details can be found on our website www.anfieldbc.co.uk.

Camping is not allowed within the vicinity of HQ but facilities are available in the grounds of nearby Astley Village Hall, SY4 4BP. The grounds are booked for the bank holiday weekend by the Tricycle Association but Anfield competitors and supporters are welcome to join them. The daily charge is per unit (tent, campervan, caravan) and not per person. The Hall will remain open all night so toilet facilities will be available through the night.

Full details of the event can be found on our website.
