Communities like Elsdon, who kindly welcome us every year, have struggled this year due to COVID19. Because of this, they have not been able to have their normal fundraising events. The funds raised would usually go towards helping with the running cost of the village hall, which runs as a charity.

We have not been able to use their village hall this year but we wanted to donate some of the prize money to help the hall and the community of Elsdon along with the Jack Earl Memorial Trophy.
