Please pay attention to the following CTT regulations/recommendations

- **Helmets** CTT regulations require the compulsory use of helmets for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.
- **Parental Consent Forms** All riders under 18 download a parental consent when they enter online. The form must be completed and brought with you on the day. Please hand it in before signing on.
- **Lights** It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.
- **Warming up** Competitors are requested not to warm up on the course after the first rider has started.
- **Competitors' Vehicles** No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity of the start or finish.
- **Official Observers** Official observers will be stationed around the course.
- **Results** No times will be given out at the finish.
- **Race Numbers** The race number is made of fluorescent material which is an important safety feature. It is essential that it is placed correctly for maximum visibility to other road users and of course the timekeepers. No time may be recorded if number is not correctly positioned.
- **Signing Out** Please note that for 2017 all competitors are now required personally to sign the signing out sheet when returning their number. Failure to do so will result in the competitor being recorded as DNF. As this is a team event this would invalidate the whole team.
