THINKING OF DOUBLING UP?

We've set the events to start two hours apart and riders who enter both will receive **at least** this two-hour gap between start times – unless they specifically request otherwise.

If you choose to do this, please don't be alarmed if the CTT website gives you a message about [regulation 11e](#). The two courses are three miles apart, so on this occasion there is ample time to complete the first climb, descend, rest/recover/refuel, then make the short journey to the start line for the second event. Should you need them, We'll have VCC members available to escort you to the respective start lines.

The HQ will be the [Boys' and Girls' Club](#), located in the centre of Treorchy
