A word from the organiser.

When we chose to use the P454 Wool - West Lulworth - East Lulworth - Wool course for the National 10, we were unsure what the reaction might be to using a more 'sporting' course than might typically be used for a large championship event. We felt it offered a little bit of everything; some climbing, some false flat, descending, bike handling and enough flattish road to 'power down' as well, though we knew it wouldn't generate very quick times. It seems like this decision proved to be popular with those of you who took part - thank you for the positive feedback on the choice of circuit. I think the weekend's good weather certainly helped!

Congratulations to everyone who rode, especially the respective Champions, Hayley Simmonds and Chris Fennell in the Senior events and Jamie Witcher and Amber Junker-Brameld in the Junior events

Thank you to everyone concerned with the helping with the running and organisation of the Championships. Firstly, to all the members of Bournemouth Jubilee Wheelers who helped with the officiating and marshalling of the event on both days - and to those members of CC Weymouth, Bournemouth Arrow CC, Wessex RC and Poole Wheelers who also offered their time and energy helping run the event. Without their help the event would never have happened.

Secondly, I'd like to thank the CTT - and Stewart Smith and Pete Rogers in particular - and David and Kathleen Collard Berry of South District for their help and support, not just over the weekend of the event, but in the advice and support they offered in the weeks and months leading up to the event.

Thirdly I'd like to thank those businesses who offered their support, particularly the Velo lounge in Wool for the refreshments at the HQ, and to Pedal Cycles in Ferndown, Muc-Off, Veloforte Nutrition and Jimmy's Iced coffee for all their support with logistics and prizes.

Finally, I'd like to thank all those riders who took part in the event and supported the Championships. In particular I'd like to thank those who competed in the Men's Championships for their patience and forbearance with the delayed results. We appreciate that this would have been very frustrating for you (it certainly was for us!) so many thanks for bearing with us while you waited for these.

Best-selling author William Fotheringham has teamed up with Cycling Time Trials to offer selected women's time trial championship finishers in 2021 the chance to win copies of William's biography of Britain's greatest ever woman time triallist, Beryl Burton. Published in late 2019, *The Greatest: the Times and Life of Beryl Burton* was written with the help of Beryl's daughter Denise, and other members of the time trialling fraternity including the late Mike McNamara.

Five signed copies of *The Greatest* will be given away after each of the following CTT women's championships: the '100' on July 4, the '25' on August 8, the '50' on August 29, and the '10' on September 11. The books will be given to the five riders who finish closest – either slower or faster - to the time Burton set in winning the respective championship for the final time. In addition, five more will be given at the end of the season to the five riders finishing closest – again slower or faster – to the speed Burton set in winning her last BAR in 1983.

"I've been wanting to offer some copies of the book to Beryl Burton's successors today for some time," said Fotheringham, "but last year it seemed a bit complicated to do anything because we were in the middle of the Covid-19 pandemic. The idea is that rather than give copies to the fastest finishers in each event, we can spread the prizes around, and also offer up a direct comparison with the times that Burton was setting, without aerodynamic aids of course. For example, Burton's 1983 BAR speed would have earned her 10th place in 2019. It just seems like a fun way of commemorating Britain's greatest time triallist."

Burton last won the '25' and '50' in 1986, with times of 1-1-43 and 2-03-47 respectively. Her last victories in the '10' and '100' came in 1981, with times of 23-17 and 4-13-17. Her average for her 25th and last BAR in 1983 was 25.219mph.

In addition, CTT members will be able to claim a 15% discount on copies of *The Greatest* bought through Fotheringham's website www.williamfotheringham.com between July 4 and October 31, when the national hill-climb championship will close the 2021 season.
