So , all done then. The rain held off ,the wind slowed and the conditions were as good as you'll get in March. Some fantastic efforts out there at both ends of the results- got to start off with the winner Thomas Brazier doing himself proud with (what I believe to be) a course record. The runner up pushed him all the way but Thomas also took the yourcyclecoach.co.uk climbers award to underline his all round performance. Well done to Becky Lewis , Huw Owen nad Paul Grindley who all took home their category prizes and the Port Sunlight Wheelers for the team award. Hopefully thats a great kickstart. My thanks to Kate and Dom for timekeeping and to all my clubmates and their wives and girlfriends for marshalling , timekeeping, baking cakes , running the HQ, riniging bells and cheering people on. And to my family for all their support while putting this together. Finally ,thanks to Rick at twelve50bikes of Frodsham for the continued support and the use of the raceday equipment , and to Paul Whittall of yourcyclecoach.co.uk for stumping up some prize money. Thanks for entering everyone , any comments on how we can do things better next time , drop me a line? Have a great season!
