## *THANKS*

To all who entered, especially the 15 who rode.

The DNS's were both as a consequence of CV-19, and we hope they get clear and recover soon.

This year's conditions were bright and dry with a temperature around 14 degrees. The wind seemed light and from the south side, though the anemometer at Met Office St Athan wasn't working so we'll never know for sure. It seemed very pleasant compared with our events here in previous years!

## **AND THANKS ESPECIALLY**

to everyone who devoted their free time to make this a successful event:-

Bob Jones (signage fixer & observer at the start)

Keith Morgan (marshal at Rhoose Airport maintenance depot roundabout)

Robin Field, Cardiff Byways CC (Timekeeper)

Everyone else who offered to lend a hand.

### **HQ Arrangements -**

Particular thanks to Sue Williams, St Athan Welfare Office, for making the venue available.
