Once again the weather on the day was favourable for racing, and with the wind from a Southerly direction, it provided conditions allowing many fast times, and a new course record.

I would like to express thanks to all of the entrants for supporting the event and to all of the helpers and marshals for making it possible to run it. All being well, the event will be on the calendar next season, but in the meantime, please make a note that our open hill climb is the Snake Pass on the 24<sup>th</sup> September.

There were several photographers on the course on the day, including the clubs own. He is currently processing the many photographs which were taken, and once they have been uploaded, will be available to view on the Glossop Kinder Velo Flicker account 'GKVCC'

Finally, if anyone is missing a small saddle bag then please get in touch.
