Riders Be Aware

Generally the road is in good repair however there are some sections where care must be taken: Approximately 400 metres after the start the left hand side of the road has a rough section and some holes. On the return leg, at about mile 7.5 there are a number of holes in the left hand side of the road including some long cracks until the last large corner before the finish, by the Thatched Garage.

Signing Out

Please note that all competitors are required personally to sign the signing out sheet when returning their number. In accordance with CTT regulations, failure to do so will result in the competitor being recorded as DNF.

Finding your times using ResultSheet.co.uk

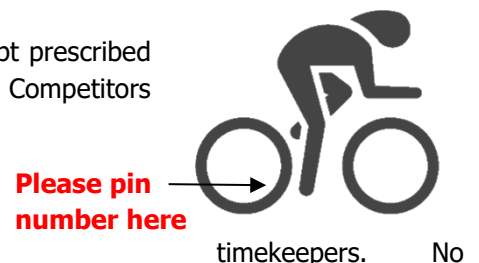

We will be using ResultSheet so times will be accessible on smart phones in near real time if all goes well. We have had riders get back to the HQ switch their phone on and pick up their time straight away, but there can be a time lag of 15 minutes or more.

The link to the online result sheet is: <https://resultsheet.co.uk/s/ecbaf434>

There will be a QR code available at the sign in / sign out desk which will take you to the results.

ESCA Prize Money pay out, and donations to charity

Several ESCA affiliated clubs donate funds to a charity, with riders that win prize money adding their winnings to the pot. In 2022 ESCA will, as in 2021, be selecting a charity e.g. Air Ambulance Kent Surrey Sussex, who have airlifted injured cyclists to hospital, and making an end of season donation. Any ESCA Prize winner that wishes to donate their winnings to the ESCA pot can let the Event Organiser know. Any unclaimed prizes will also go into the pot.

Cash prizes for the top three riders in each category will be presented in the HQ straight after the event. The result sheet will list all the cash prize winners and any that have left early will be advised that if they wish to claim their prize money they need to contact the Event Organiser to arrange means of payment. The preferred method of payment is by PayPal. Otherwise please give your account number and sort code and exact name of the holder(s) so that the account details can be verified for a BACS transfer. pot.
