## ACKNOWLEDGEMENTS

Thanks to the small army of members, family and friends who made everything run faultlessly. In no particular order these were: Gary Shooter, John Baker, Tony Bulmer, Dave Leckenby, Susan Sanders, David Taylor, Cliff Beldon, John Hatfield, Danny Shaw, Holly Norris, Tom Brabbin, Richie Hodgson, Phil Ragsdale, Alan Sides, Melissa Kelly, Carole Macklam, Tony and Hazel Stott, Mickie and Geoff Hornby, Chris Goode, Nigel and Karen Bennett, Jymmy Trevor, Roz Bell, Daz from 3RT (?) and James Hewitt. Sorry if I have missed anyone, all of you were really valued.

Thanks also to timekeepers Steve Brown and John Hardy, photographer Bernard Marsden and also to Elaine Ward for presenting the jerseys, caps, medals and supplementary awards.

Thanks and apologies to North Group and CTT Teesside stalwart Gavin Russell, who had offered to assist but turned up to find his job already taken - luckily he was able to console himself by sampling lots of cake. So thanks also to everyone who contributed to the magnificent spread of cakes - the refreshments collection will be donated to Yorkshire Air Ambulance.

Thanks also to Mike Penrice, Yorkshire Group Member and National Committee Rep for this event, for undertaking entries administration, production of start and result sheets and for general help and guidance.

Thanks to everyone who rode, we hope you took away good memories and will continue to support Yorkshire VTTA events. Our next event is the 10 on course V210 (similar road to this 25) and the date is Sunday 16th July starting at 8am. We hope to see you then.

Blair Buss (Event Organiser)

## AND FINALLY.....

The first VTTA National Championship of 2023 proved to be a resounding success. Being quite early in the season it was the first outing of the year at the distance for many riders; however as the day was dry and almost windless, if a little cold for the early starters, most were satisfied with their ride and enjoyed being part of a Championship.

There was inevitably a strong northern bias to the rider list and it was pleasing to see new names topping the list - men's champion Russ, being a local rider who knows every inch of the course, and women's champion Linda, visiting from 'darn sarf' and pleased to improve on her 2022 bronze medal. We must also not forget the tandem winners, Andrew and Caroline Hutchison, who have been racing tandem for very many years and also won their first championship, thus justifying their long journey from Lowestoft. Congratulations to these and to all the other medallists and award winners, we hope that you are inspired to ride more of these VTTA National Championships. The national engraved medals will be presented at the

end of the season, although it is still to be decided whether at a national or the group functions.

On behalf of the VTTA National Committee many thanks to Blair Buss and his team. We all know how stressful it can be organising an event of this calibre and are very grateful to Blair for ensuring it ran like clockwork. The flight was smooth and no fire fighting was necessary.
