Well, there was no risk of frostbite as the Country was in another heatwave. Many riders thought it was just too hot but no complaints from those who rode and there were some excellent times.

You will all realize how much effort goes into organizing these time trials with many people giving their time and effort to ensure the race is successful. With your times measured in minutes just think of the marshals and officials who were in position for over 2½ hours.

On your behalf as well as mine I would like to thank John Cottee and Len Gordon for their excellent job as timekeepers (Len stepping in as Tim Groves was called in to work for the weekend), Mary Paltridge for preparing the Village Hall, the Veterinary Clinic for the use of their field for additional parking, and the members of ECCA clubs who did the essential marshalling and other duties.

James Boardley & Adrian McHale - Peterborough CC; James Scarth - Bishop's Stortford CC; Thomas Platts - Aspire Velo RT; Steve Robinson - Team Sales Engine; Graham Masters, - Eagle RC; Sam Thienel, Matt Steel, Bob Pisolkar & Scott Beard - Shaftesbury CC; Dave Nock - Essex Roads CC; Laurence Toombs, Colin & Debbie Armstrong - West Kent RC.

So that I could provide my usual Results Board Brian Hurrell kindly agreed to be the Organiser on the Day and I thank him sincerely for all he did. Not only checking the marshals, handing out Hi-Vis vests, taking bottles of cold water to the turn marshals halfway through the race, but also picking up the signs once everyone had finished.
