Congratulations to all the Prize Winners and thank you all for taking part in the Finsbury Park CC Open 25.

Conditions were near perfect for this year's Finsbury Park CC open 25 with only a light breeze. If you had to mention anything it would be the temperature as the heat that presented the biggest challenge for all concerned, not least the Timekeepers and Marshals who had to sit for some 3 hours in the Sunshine.

The event was very oversubscribed this year as we sadly had to return entries for some 35 riders. Hopefully this is something we can correct for next year's event by requesting a 150 field for the event. Of the 120 riders plus 10 reserves we had 107 finishers with 5 riders on a DNF due mainly to mechanicals. Out of the 107 finishers 41 recorded improvements on current times which is testament to the potential of the Cambridgeshire course. We were delighted this year to have so many Women enter the event, despite the fact the event is a qualifier for the Women's BBAR to have 19 entries was great news.

In the Mens event Oliver Peckover (Ribble Weldite Pro Cycling) dominated the results board recording a time of 46:42. Although this was not a course record it was certainly a record for the event which has been run for many decades. Oliver was followed in the results by a very close-run race between the next four finishers, David Halliday (Team Bottrill), Howard Bayley (Blazing Saddle), Nic Pilinger (St Neots CC) and Paul Willcox (North Road CC) with only 33 seconds separating them.

In the Womens event congratulations go to Kate Allan (Team Bottrill) who returned in a phenomenal time of 50:32 beating her previous personal best by 1min 39 secs and setting a new course record previously set by Hayley Simmons in 2020 by 56 seconds. Kate wasn't the only one to put in a remarkable performance as she was followed by Angela Carpenter (...a3crg) in 52:41 and Joanna Patterson (Wahoo Endurance Zone p/b Le Col) in 53:10. All of whom set faster times than previously recorded in the womens event.

In the Vets standards event Angela Carpenter (...a3crg) also dominated with a +22:28. She was followed by Andrew Grant (Cambridge CC) with +19:17, with Keith Dorling (Team Bottrill) close behind with a +19:04. Of the 41 finishers who achieved a personal bests Elizabeth McKie took honours with an improvement of 6 mins and 19 secs. The contest for the top Team was also a close run with 7 mins and 18 secs between first and third place. In the end the finishing order was Team Bottrill - 2:32:46, Ely & District CC/B&T Motor Repairs - 2:37:45 and St Neots CC - 2:40:04, the winning team consisting of David Halliday, Kate Allan and Keith Dorling.

Congratulations to all the winners. Above all however on behalf of the Finsbury Park CC we would like to thank all of you for taking part and for helping make the event a success. We hope to see you again next year.

Many thanks to all the following People who helped to make the event a Success.

Gordon Hart and Vince Freeley for Timekeeping.

Finsbury Park CC members Helpers and Marshals: Helen Boatman, Chris Lodge, Terry Cakebread, Gary and Val Chambers, Chris Burrows, Ed Barker and Andrew Turnock. Vince Freeley for setting up all the Traffic Warning Signs on the day and finally Kevin Megan for all his help organising the Marshals and helpers. Thank you all.

Wishing you all a safe and successful season for what remains of this Year.
