A rider's best 6 scores from the above events to count overall. Separate tables for Men and for Women. Riders must be in clubs affiliated to YCF if they want to take part.

Acknowledgements

YCF would like to say a big thank you to all helpers and riders who contributed to the event and made it the success that it was and without whom there would not have been an event possible. I'll be contacting the prize winners shortly and handing out the winnings to those that were not able to stay until the presentation at the end of the day.

Time Keeping: Phil Hurt and Richard Haigh for helping us out once again along with all the other events that they do throughout the year

HQ: Rachel Meredith, Eleanor Stafford and Sam Shaw for welcoming riders to the event, handing out numbers and collecting back at the end too.

Timing Clerk – Jackie Haigh, who recorded the results as the riders came in.

Marshalls – Jason Sutcliffe and Dawn Morley at the Walshford roundabout.

About the Yorkshire Cycling Federation

YCF comprises of many affiliated cycling clubs and some individuals primarily from the Yorkshire region and promotes cycling events throughout the county for the benefit of all. YCF runs competitions every year for the riders who are representing YCF affiliated clubs or are YCF racing members. In 2022 we have the usual TT points competition as well as a new points competition for the road/sports bike/ non aero category.

About Valley Striders CC

We are a friendly cycling club based in North Leeds, for new and experienced cyclists. The Club was formed in 2013 by a group of friends from the local running club (Valley Striders Athletics Club, further information below) who were looking to vary their training.

Since then, the club has grown significantly and now consists of a group of runners and cyclists with a wide range of backgrounds, experiences and interests.

The club is affiliated to British Cycling, providing insured social and training rides, led by volunteering (trained) ride leaders. We provide rides for;

- those new to cycling who wish to gain confidence and road craft
- cyclists who want to enjoy social and scenic rides
- cyclists looking to improve their fitness
- cyclists and athletes training for endurance and competitive events
- those wanting a combination of all the above

The Club is also affiliated to Cycling Time Trials (CTT) and Yorkshire Cycling Federation (YCF) and we participate in the Cyclesense evening TT league.
