Race Review

The weather was almost perfect, just a little crosswind for the disc wheel riders to contend with but other than that no worries. We had 50 entrants but unfortunately 8 were unable to attend for various reasons, some due to traffic caused by road works and accidents on the M1 & M18.

There were no incidents or dramas reported on the day, presumably everyone had a good experience, if not let me know and I'll try to ensure it's sorted for next year. Finally, after a 2-year Covid enforced absence, we were able to put some post-race refreshments on in the village hall, announce the results and present the prizes. It was great to see so many riders and friends having a chat and catching up. A good point to thank the TVC bakers for the home-made cakes & buns and the TVC HQ Team for keeping the tea and coffee flowing.

Tickhill Velo's charity ride beneficiary this year is a local rider Brett Daughtrey who suffered a life changing accident while riding his bike resulting in losing his leg. Brett is now looking to take part in the 2024 Paralympic Triathlon and has completed preliminary selection trials. He now needs to raise money for a prosthetic leg for cycling & blade for running and during the afternoon we collected £64.30 which will be added to the total. Dave Harbon was again out on the course taking photographs which can be found here.
