Congratulations to all competitors in London North DC, everyone qualified for the National Youth 10 mile Championship Final (for the GHS trophies).  
To be held on Sunday 11<sup>th</sup> September 2022, near Doncaster, in North Midlands DC.

Entry to the final is by invitation from the National Secretary, based on your district qualifying performance. Therefore, if you are unable to make it to Doncaster in September, please let the National Secretary know in advance so that another junior can take your place.

Please note: The all-inclusive nature of the GHS competition is to ensure as many juniors as possible get to ride in a National Championship and there are reserves.

I hope to see you all again next year; pass the word around all your friends, they don't have to be a cycling club member as they can ride in the name of their school for the GHS.

Good luck with your cycling endeavors.
