Thank you to all those members and friends of HNCC who gave their time to ensure that the event could go ahead:

- Tim Groves & his daughter Wally for timekeeping
- Steve Smith & Paul Riley for pushing off
- Andy Hardy for signage & 2/IC on the day
- Nigel Wilson & Nigel Took for Spotting & sending results
- Tony Caske for parking management
- Emily Varley for sign-on registration
- Katy Francis & Lorraine Curtin for feeding and watering at HQ
- David Rossall, Graham Tibbetts, Phil George, Brian Ruggles, Andy Stephenson and Alan Scott for marshalling the course
- Nick Senechal for First Aid stand by
- Michael Webb for event photography

Despite concerns about the condition of the F14/25 course with potholes & poor road surface the course was considered safe with several road inspections and all the hazards clearly marked and additional roadside signs in the worst areas. No incidents were reported.

We would also like to thank Cycling Coach, James Hey for contacting us and asking if two of the Afghan female athletes, Arefa and Mina, could compete who are unable to train in their own country for Religious & Cultural reasons could participate. They are training up to participate in the Paris Olympics in 2024. We made them Honorary members of Hitchin Nomads CC, and they duly competed.

This is a BBC link to the Afghan Women's story: <https://www.bbc.co.uk/news/av/uk-64556265>

We also acknowledge the very successful use of the ResultSheet system to relay and present the results at the HQ. It was very well received by all participants

Best wishes for the rest of the 2024 season.

HNCC Event Organiser.
