

## OFFICIAL RESULT

This is the official result for our time trial event, held on the R15/15 course on July 17<sup>th</sup> 2022 and promoted for and on behalf of Cycling Time Trials under their rules and regulations.

## MANY THANK YOUS

Thank you once again for supporting our event – it was great to see you all and nice to be able to match some names with faces! The conditions seemed kind out there today [from a roadside perspective] and I think we were all quite relieved to come away from the event before the temperatures really started to climb.

With 15-mile events being a rarity, several of you will have set a “baseline” PB for yourselves this morning while others will have improved an existing record by virtue of this being a relatively quick course. But whatever the outcome, the only statistic that really matters is the accident count, so thank you for playing your part in keeping that at zero.

Some congratulations are in order. As explained previously, we carved the field into three blocks based on the Spindata ranking system and awarded small prizes to the fastest rider in each one. We like this approach as it allows us to create prize-winning opportunities for riders throughout the field. So today, congrats and free rides go to the following riders:

- **Christopher GIBBARD** (Bynea Cycling Club) – Fastest time in GROUP 1
- **Dylan GRIFFITHS** (University of Bath Cycling Club) – Fastest time in GROUP 2 [using a standard road bike!]
- **Garry SHUKER** (Walsall Roads Cycling Club) – Fastest time in GROUP 3

*Dylan GRIFFITHS & Christopher GIBBARD*

*Garry SHUKER*

Thanks also to our timekeepers Phyl Harradine, Frances Field and Robin Field. And finally, thanks again to the VCC members and their families who gave up their free time to provide a safe and welcoming event for everyone.

We have one final event this season – over on the R25/7 course, starting and finishing in Usk. The event also serves as the VTTA national championship. Click or tap [here](#) for details of that. One last request – it would be really handy if you could fill out our short questionnaire to help us make our events the best they can be. Marginal gains, and all that! Here's the [form](#).

Good luck for the rest of your 2022 season – we'll see each other soon.

# VIRTUAL CYCLING CLUB 15-MILE TT, 2022
