On behalf of Mid-Devon CC may I firstly take the time to sincerely thank all those who helped me with this event. In particular Brett Barber who (at very short notice and in the wee hours of the morning) stepped up to collect Ken's road signs and man HQ whilst I put them out – without his assistance I would've had no choice but to cancel the event with no notice so thought it worth a special mention. Also Rich Babbage who volunteered to go off last (and with minimal warm up) so he could drive me around to put out and collect the signs, Mike Skinner for holding up at the start, Lynn Marris for timing (both at the start and the finish), Mike Parker for time recording, both Colin Lewis, Kevan Law and Stuart Thrall for marshalling at the turn, Conrad Moss who booked the hall and Bex Seeley Harris for her help at HQ. Without these willing helpers, and of course the riders, we would not have had an event.
