VTТА(Yorkshire) 'Ice Breaker' 10 Mile Open TT Results Sheet

From Event on Saturday – 2nd March 2024

Course: V212 (The Red Wall)

Race Director: My Jymmy TREVOR (07970 966458) **Assistant Race Director :** Tony Stott

Time Keepers: Mr Phil Hurt (Yorkshire Road Club) & Mr Mike Penrice (VTТА) **Timekeepers clerks:** Nigel & Karen Bennett

Other Race Officials & HQ Support: Various members and friends of VTТА

Head Quarters: Arkendale Community Hall

It goes without saying that huge thanks are sent to the marshals, start team, timekeepers, HQ officials and catering team. Without these people who give us their time voluntarily we could not be able to put events such as these on. THANK YOU VTТА ICE BREAKER TEAM.

I'd like to send thanks to the Community Hall for letting us hire this wonderful and well kept venue. I'll e-mail the community hall and pass on our gratitude from our TT community.

As the race director (organiser) I'd like to thank all of the competitors and their support teams for upholding the high standards we have in our sport. From my position I felt all showed respect for each other and raced hard and well. I was very impressed with the excellent turn out and effort by everyone taking to the start line in such wet conditions. Well done to all involved competing. You've proved you're tough racing in those conditions. Of course it was great for you all to race against Charlie Tanfield and see how you fared against a National and European Champion. What other sport can you compete against such high level professionals? I'm sure you will all join me in wishing Charlie all the best in this Olympic year. Let's hope he returns in 2025 to our 'Ice Breaker' with some gold in his pocket.

Promoted for, and on behalf of, Cycling Time Trials, under its Rules & Regulations

Result Sheet

1. Awards

Awards were handed out or presented on the day.

Tricycles – Fixed Wheel – Steel Frame awards were presented.

Junior / Youth / Espoir / Female were handed out as we were unsure with the wet conditions and parking if competitors would stay in the HQ. We underestimate everyone, sorry for that. I think we could have presented of the awards as most people enjoyed the refreshments and time with the TT community. So in 2025 we will definitely present all awards.

The VETS and Senior awards were presented.

I have 3 left awards over which I will either post or hand out at future events.

2. Results

Results can be found on the CTT website.

We paid Results Sheet for their service and results will be available on their website. This allows you to filter the event results. You can either look for the event in the menu or use the below link or QR code. It's a great service so please take a look.

<https://resultsheet.app/rsd/1709159736810x251690303077744640>

Mobile result

Of course the results will be shown on Spindata (disappointingly they do not include tricycles) so only two wheels on Spindata.

3. Official Event Photographer

At the VTTA Ice Breaker we teamed up with local sports photographer Craig Zad. He took some superb photos. Please see the event photos on the link below and if you like your picture please pay the small fee he asks for the download. Remember, he has to run a website, keep his camera kit upto date and pay to travel to the event. His fees are very reasonable. Please respect the copyright, we don't want to lose Craig because of illegal downloads. He could be photographing weddings and making a tidy fee, but he does this as part of our TT community. If you want multiple photos then please contact Craig and he will prepare a portfolio for you at a very good price.

<https://www.craigzadphotos.co.uk/cycling>

4. Other Photographers

The CTT photographer was at the event and has uploaded his work for competitors to view. They can be seen at his website, link below.

<https://www.kimroy-photography-2.co.uk/>

We were lucky to have a third photographer another local : [Sarah Behind the Lens](#)

<https://www.sarahbehindthelens.co.uk/>

5. Refreshments

Thank you for the donations for the refreshments. We will use the collections to provide a similar spread for next year.

6. 2025 'Ice Breaker'

The VTTA (Yorkshire) committee have already pledged to put on the Ice Breaker event in 2025. We will launch a FB page and some other media to keep all informed. Again we will put on various events with a spread of prizes. If you have any suggestions on what you would like to be added then please let us know. We will apply to the CTT Yorkshire D.C. council for the Saturday 1st March, 2025 for our Ice Breaker event. They will need to give us permission for this date, so we'll keep you informed via the TT community channels.

7. 2024 VTTA Yorkshire Events

In 2024 we decided to arrange the 'Ice Breaker' our 'blue chip' event with a full programme of racing, pre event entertainment, a spectrum of awards, catering, hospitality and top standard HQ all done to our highest standard possible. This was our Blue Chip Event.

We will also organise a '10' and a '25' on fast courses to help those doing BAR competitions. We chose a full weekend to allow people to ride both events if travelling, utilising late afternoon and early morning slots. There are many reasonable accommodation places for those choosing an overnight stop. Not like the Ice Breaker, but good for fast BAR times, hopefully.

29th June, 2024 – V210 - '10' *Start time 18:00 (due to district course restrictions) – important info, the VTTA hold this event over 10 miles exactly, it will not be long.*

30th June, 2025 – V232 – '25' *Start time 08:00 : Note this is the old V232 course with just the one turn, so much quicker than the V232/1 or the V236/1 which have multiple complex turns where riders lose speed. This course has been very fast when it was in more regular use 10 years ago. It has not been used much as the HQ is quite a long way from the start. Please support this '25' so we can have at least one fast DC '25' in Yorkshire, rather than needing to make a pilgrimage to the well known E2 and F2.*

The '25' will definitely have results on Results sheet. We anticipate the '10' will also use results sheet, but this will be dependant on timekeeper available on the day.

Result Sheet

ICE BREAKER HALL OF FAME ADDITIONS

2024 Open Event Winner : Charlie Tanfield (2024 European Team Pursuit Champion)

Result Sheet
