## VTTA NATIONAL 50 MILE CHAMPIONSHIP 2020

Thanks to Russell Gent and the Melton Olympic for their invaluable help and for their help and all my Nottingham & East Midlands who came out and helped and marshalled on the day. David Heard, Chris Asher and Andrew Hillman for putting out signs. Steve and Linda Radmall for keeping the HQ CoVid free Alison Fovargue for her technical expertise. David Yayham, Nev Bray at Flintham Russell, Tom Bailey, Rob Bennett and Dave Woodward at Stragglethorpe Dave Goodwin Martin Headley and Haydon on the Newark RB, Graham Green and Darren Howitt at Eden Hall **THANK YOU!**

We had an RTA incident on the day involving one of the riders and the matter has been referred to the Police and is ongoing, If anybody saw anything involving a Dark Grey Honda approx.10.50am between the Eden Hall and Flintham A46 bridges then could you contact the organiser

Conditions were great considering the day before and after were horrendous, a bit on the breezy side. The early starters probably had the better of it but there were some honest performances and probably a few too many DNF (that's the problem with going past the HQ at halfway!). The team prize suffered with lots of club teams with two riders but only three with the required and Team Swift ran out winners from N Lanc's RC and Velo One. The Group team an altogether closer affair with promoting region N&EM running out winners from Yorkshire, North and East Anglia all close together

A little bit of feedback for riders while we are competing under the current CoVid restricted rules. Because there is no 'huddle' so to speak around the result board. Errors on the start sheet and mistakes during the event do not get communicated to the organiser until the official result is published. This makes a huge amount of extra work when details are missed and have to be corrected later

It is a Championship event I wanted it to be correct and reflect everybody's time and position as well as club, group and age. All important for VTTA (Sorry I got one person's gender wrong – that was my mistake!)

Great ride by Keith Ainsworth in winning the Men's and Overall, on Std. When the going is tough the tough gets going and Keith is definitely one of those against tough opposition it only seems a couple of years ago I was watching Matt Bottrill win the senior title and with current 24hr senior Champion Andy Jackson an absolutely stellar virtual podium. **WELL DONE!**

Well done to Sue Cheetham on winning the Women's title, her experience and staying power in the race giving her a well-deserved win. I hope you all get your deserved jerseys and medals when appropriate

One or two complaints as usual, we provide toilets and people still go in the hedge, It's fine a la fresco so long as its out of sight of the locals, this is a great HQ (one of the nicest somebody commented) but restrictions aside be courteous to the locals

**.....AND TAKE YOUR RUBBISH HOME!**

One rider was seen to jettison a gel wrapper, its not good for the sport and during CoVid its irresponsible so let's see riders taking responsibility for their sport as well as the environment

If anybody did not get the message on the day

### **Important Note for VTTA Members**
