Congratulations to all our winners, and to everyone else who gave it their best. Confirmation of Age Group prizes to come from NDCA and Aerocoach prize info for the fastest road bike riders will be sent directly by them or you can contact them via [www.aero-coach.co.uk/contact](http://www.aero-coach.co.uk/contact)

On a personal note, I'm pleased to say that I didn't get any reports from my marshals or observers that any riders put themselves in danger at any of the turns (or anywhere else on the course) and 'only' a couple of reports of shouty motorists (inc a dubious claim of people riding three-abreast). I was also very happy to be able to pass on thanks to the Marshals & Time Keepers from many of you

Hopefully next year will see us be able to return to the post-ride cuppa & cake

### A big thank you to everyone who helped on the day and made it all possible:

**Time Keepers at Start:** Alistair Henderson & Simon Elkington

**Time Keepers at Finish:** Florence Lendrum & Gary Adnitt

**Marshals:** Mark Greenhow, Geoff Smith, John Montgomery, Norman King, Mike Biggs, Tony Chin & Matt Charter (all St Neots CC)
