Congratulations to all the prize winners and thanks to all who entered in this the 12th running of the annual Chronos RT 10 mile TT. It was a shame that the weather was so hot and the wind was in the wrong direction for this course but everyone got around safely. Not too sure what will happen next year as there are rumours of major roadworks at Caxton Gibbet roundabout, it may be possible to use the F2D variant.

**Thanks to Davey Jones Photographer and Team Chronos for making the event a success, we wish all the very best of health and hope to see you on the TT circuit soon.**
