We booked another “Float” Day and low and behold, as last year we experienced a rather unusual morning in that it was warm, sunny, dry and there were light winds. My sincere thanks to the 26 officials, marshals and back up team who made the event “happen”. It is heartening to see two juvenile teams entering (10% of the total field), with the Woolwich girls repeating their win of last year & improving their time by 2 mins in the process.

It was good to see new clubs appearing like the East Grinstead teams, who I overheard saying “Great Fun, we’ll be back next year. And on the course 12-year-old Gabriel Gil supporting his sister, whilst dad was marshalling. The winner of the Road Bike Solo event, Spencer Trivett, riding his first TT, found a novel race prep; leaving home at 3:30 and placing half of the 27 signs around the course, prior to pumping his tyres and setting off on his first “Race of Truth”.

The biggest thanks go to the Clubs and Riders who make this event so worthwhile. It’s becoming a unique event on the (KCA) TT calendar & up to us all to spread the word and ensure the continuing success of the event next year.

Congratulations to all the prize winners and especially the fastest teams on the day – Gemini BC (TT Bikes) and VC Deal (Road Bikes), Woolwich CC (Female, Road Bikes) and VCL (Juvenile, Road Bikes): as well as the solo winners Nicholas Fennell (TT) & Spencer Trivett (Road).

Finally, once again, special thanks must go to all the marshals, helpers, timekeepers and my friend Martin Messer who made this event happen.

Terry Blake – Woolwich CC
