I would like to thank all those who helped to make this event possible; those that helped me to organise and run it and those who competed I hope you all had great time, well done.

A special thank you goes to Pete Welan who, in the space of a weekend, managed to get the course signed off with the CTT together with other associated paperwork when our usual course was rendered unusable in the weeks leading up to the event.

Congrats to the prize winners... (One prize per rider except team)
