### Acknowledgements

Congratulations to all the award winners. It was such a hard day that everyone deserved an award for riding into that block headwind return leg to Dishforth. At least with the modified finish position there was about 100 yards less distance to push into it.

For the first time we used the recently launched results processing system ResultSheet; finishing times were input by the finish timekeeping team and instantly displayed and constantly updated on the HQ display. We hope you liked it, it certainly made sorting out the awards much easier than previously.

Finally, a big thank you to everyone who helped make this event run so smoothly: Geoff and Mickie Hornby (signing on), Steve Brown and Tony Bulmer (at the start), Susan Sanders, Chris Goode, John Baker, Gary Shooter, Karen and Alan Taylor, Tim Palliser (out on the course), Mike Penrice, Karen and Nigel Bennett (at the finish), Jim Trevor and Tony Stott (results), Hazel Stott and Catherine Buss (refreshments).
